

FOR IMMEDIATE RELEASE:

**ZAPATA TECHNOLOGY, INC. ON TRACK TO DOUBLE BUSINESS FOR SECOND CONSECUTIVE YEAR**

**Augusta, GA, March 26, 2013** – Zapata Technology, Inc. (ZAPATA) announces multiple additions to the IT consulting company today. The company now operates in Suite 500 of the historic Enterprise Mill and is quickly filling the office space with new hires.

In the first quarter alone, ZAPATA has brought on eight new employees, with the intention of hiring more in the coming weeks.

ZAPATA recently unveiled a new and improved web site. Among the updates to the company's social media persona are weekly tweets and monthly blogs to keep the public abreast of awarded contracts, new hires and the like.

Mark Nagy, Vice President of ZAPATA, will be the featured guest on Augusta's radio show, *Buzz on Biz*, airing Friday, March 29<sup>th</sup> at noon.

Founded in 2007, Zapata Technology is a HUBZone certified, veteran-owned, and self-certified Small Disadvantaged Business (SDB) IT consulting company. Our incredible team promotes and aggressively facilitates the cost effective integration of technology (products and specialized services) to enhance organizational performance in the areas of; emerging technologies, information technology, and intelligence and cyber solutions. Our employees are dedicated, ethical, hold the latest industry technical certifications and credentials, and maintain active Security Clearances.

At Zapata Technology, we realize that our contributions are critical to helping our customers and teammates successfully meet their critical goals and mission objectives. Whether conducting business in the United States or overseas, Zapata Technology is the strategic partner of choice.
