

FOR IMMEDIATE RELEASE:

ZAPATA TECHNOLOGY, INC. TO PARTICIPATE IN TECHNET AUGUSTA

Augusta, GA, August 19, 2013 – Zapata Technology, Inc. (ZAPATA) announces its participation at TechNet Augusta 2013. The event serves as a forum for idea sharing and discussion among key personnel and administrators from the Armed Forces, Department of Defense, and civilian companies. Zapata Technology seeks to showcase its capabilities at the event and contribute to the furtherance of the defense, homeland security and intelligence communities.

Founded in 2007, Zapata Technology is a HUBZone certified, veteran-owned, and self-certified Small Disadvantaged Business (SDB) IT consulting company. Our incredible team promotes and aggressively facilitates the cost effective integration of technology (products and specialized services) to enhance organizational performance in the areas of; emerging technologies, information technology, and intelligence and cyber solutions. Our employees are dedicated, ethical, hold the latest industry technical certifications and credentials, and maintain active Security Clearances.

At Zapata Technology, we realize that our contributions are critical to helping our customers and teammates successfully meet their critical goals and mission objectives. Whether conducting business in the United States or overseas, Zapata Technology is the strategic partner of choice.
