

FOR IMMEDIATE RELEASE:

ZAPATA TECHNOLOGY, INC. UNVEILED NEW WEBSITE

Augusta, GA, March 26, 2013 – Zapata Technology, Inc. (ZAPATA) recently unveiled a new and improved web site. Our updated webpage includes; corporate strategic vision, company culture, mission, contracts, customers, business development, services and current job listings. Zapata Technology is focused on increasing the company’s social networking utilizing Twitter, podcasts and organizational blogs to provide social awareness of cutting edge research, development, contract awards, new hires and the upcoming events.

Founded in 2007, Zapata Technology is a HUBZone certified, veteran-owned, and self-certified Small Disadvantaged Business (SDB) IT consulting company. Our incredible team promotes and aggressively facilitates the cost effective integration of technology (products and specialized services) to enhance organizational performance in the areas of; emerging technologies, information technology, and intelligence and cyber solutions. Our employees are dedicated, ethical, hold the latest industry technical certifications and credentials, and maintain active Security Clearances.

At Zapata Technology, we realize that our contributions are critical to helping our customers and teammates successfully meet their critical goals and mission objectives. Whether conducting business in the United States or overseas, Zapata Technology is the strategic partner of choice.
